2010 Award Recipients

Mrs. Sandra (Smolen) Jaffe ’58 – Lifetime Achievement

Founder of Preservation Hall in 1961. The hall was created as a sanctuary, to protect and honor New Orleans Jazz which had lost much of its popularity to modern jazz and rock-n-roll.

Sandra came to our attention last winter when The Preservation Hall Jazz Band performed in Philadelphia and Ben Jaffe, Sandra’s son who is the tuba player and current Director, made reference to his mother’s Harcum education in an interview for the Inquirer.

Mr. Devin MacDonald ’07 – Outstanding Young Alum

Devin is a strong role model for our students and young alums.
